Contractor Information

Name _____ City _____ State _____

Rebate is available for the purchase of GSHPs. The GSHP must be installed where electricity is supplied by the cooperative. Rebate submittal must follow the guidelines as outlined by the cooperative. The cooperative is not responsible for inaccurate information supplied by vendors.

I certify that the GSHP is a qualifying appliance, that it has been installed at the address listed above and that this address represents a valid cooperative account.

Member Signature _____ Date _____

Important:

- GSHP must be installed within the cooperative's service territory and a new unit. Contact our electrician for rebate information if you are updating an existing unit.
- Fill out this form completely. Incomplete forms will not be processed.
- To qualify for the rebate, the GSHP MUST be controlled for cooling only and that will be done by our electrician.
- Include your account number and sign the form.
- Submit completed rebate form and a copy of the original sales receipt within 90 days of purchase date to:

Redwood Electric Cooperative or sgroebner@redwoodelectric.com
60 Pine St.
Clements, MN 56224

Rebate program is subject to change or cancellation without notice.
