

# Redwood Electric Cooperative 2019 Rebate Programs

To be eligible for REC's rebate programs recipients must be Redwood Electric Cooperative members and the appliance/equipment must be installed within the cooperative's service area. The completed applications will be processed on a first come first served basis as they are received in our office. The program will end when funds are exhausted. Rebates are subject to change or end at any time. Incomplete applications or missing information will not be processed. Please see the rebate applications for more details, must be an Energy Star appliance to qualify and 1 rebate per member account per year. Please reference the rebate application forms for rebate details and specifics.

Rebate applications can be requested by calling our Clements office or found on our website at [www.redwoodelectric.com](http://www.redwoodelectric.com).

**For more information about the rebates and programs below, call our electrician at 507-430-7143:**

## Managed Electric Heat: \$20/kw

Radio controlled, qualifies for discount of \$.033/kWh on system usage. Stored or dual fuel heat. Heat pumps are not eligible for this program. A check will be issued for the rebate amount. Call our office and ask for our electrician.

**Commercial and Industrial LED Lighting Rebates:** Rebates are available on a case-by-case basis. Rebates are based on kW reduction on retrofit projects. \$50/KW saved, rebate cannot exceed 25% of project cost and a minimum of 1KW and maximum of \$4,000. We do not have rebate programs for new construction. A check will be issued for the rebate amount. Call our office and ask for our electrician or go to our website to get the rebate calculator to see if you qualify.

## Water Heater Programs:

**Interruptible Program: \$540.00**

\$500 for the water heater and \$40 for the State inspection Fee.

\*Controlled during Peak Times

**Storage Program: \$290.00**

\$250 for the water heater and \$40 for the State Inspection Fee. This program will not work for every household. If you are interested and would like to learn more, please call our office and ask for our electrician.

\*Controlled from 7am-1pm and 3-11pm.

Weekends and Holidays controlled from 3pm-11pm.
